**English, Spanish**

Duration:  
5

Tour Type:  
**continuous**

## **Tour Itinerary**

### **Early Morning : Meeting Time**

Meet your guide at the cruise port or hotel for a comfortable ride to the tour location. For Cruise Passengers, please meet us right outside the port. We will be holding a sign and wearing shirts with our logo

### **Early Morning : Travel to East End**

After meeting up, we will head towards the East End of Roatan. Before doing so, you will have the opportunity to do shop for some snacks and drinks and even for some souvenirs. This is an hour long drive depending on traffic conditions, so do not worry you will be very entertained during the entire time with plenty of stories regarding the history of Roatan and its peoples.

### **Late Morning : Arrival to East End**

After arriving to the East End Communities of Parrot Tree or First Bight (depending on weather conditions), we will board a private boat and venture out into the beautiful waters of Roatan. Your private guide will submerge you in the complex and rich history of Roatan, a history that includes hundreds of years of pirates, battles and various groups all battling for control of the island and its resources.

### **Noon : Arrival at Jonesville**

At Jonesville you learn about one of the oldest communities on the island, one which to this day still shows unique homes and buildings all constructed on the edge of the water. If you get hungry, you may stop here for a quick lunch break.

### **Afternoon : Arrival at Oakridge**

Oakridge is known best as a fishing community. Before tourism came to the island, fishing was the main economic activity and an driver for development in Roatan. There are still many families that depend on fishing to this day. We will have a chance to dive into this rich and colorful history. This is also a perfect point to grab lunch if you are hungry.

## **Afternoon : Return to Port**

At this point during the tour, it will be time to head back to port. Along the way we can still make very quick stops to take pictures at local scenic locations.
