continuous

Tour Itinerary

Early Morning : Meetup

One hour after your ship docks, meet us at the port. Look for the crew with the Andi Roatan Tours sign and t-shirts. There we will confirm your booking, meet the rest of your party (if applicable) and head out to our adventure.

Early Morning : Zipline Time

After meeting up, we will head out and start the day in the best way possible, flying through the air with style. At the zipline and canopy park you will receive a short but comprehensive safety briefing and will be paired with an experienced guide.

Late Morning : Island Tour

We will be heading out to local points of interest and enjoy a brief tour of Roatan's culture and history. Some of these include West End and Half Moon Bay, The Chocolate Factory and the Rum Factory

Noon : Beach Time

At West Bay Beach, you and your guests will have a relaxing beach break at a beautiful Roatan beach. You can swim, sunbathe, explore around and play in the beautiful white sand. Take it all in, this is one of the highlights of Roatan and the Caribbean.

Afternoon : Goodbye

Now it is time to head back to port, but not without first taking a few photos at the iconic Roatan sign.
